

# HOW SOCIETY JUDGE OUR CHILD?

We need to change our perception towards our child's Education. In most cases Children are made to believe that they are not capable of doing things based on their Academic Scorecard.

Let's See How we Categorized Children & Problem & Solutions for them.

## Category 1: How we should Deal with Such Children since 5<sup>th</sup> Std or (10 to 11 Yrs)

**How our society judge a student ?** (Based on Academic Excellence)

Category 1: (So called "Weak Students") below Average score 70%

Problem	Result
 <ul style="list-style-type: none"> <li>Students <b>Basics</b> are weak as in the lower classes they were not prepared well with the <b>Basic fundamentals</b>.</li> <li>They are made to <b>believe</b> that they are weak in Studies.</li> <li>No work on improving <b>Reading &amp; Writing</b> ability of a Child.</li> </ul>	 <ul style="list-style-type: none"> <li>Students are <b>De-motivated</b> with respect to studies. No proper <b>Counseling or Guidance</b> is provided to the students.</li> <li><b>Phobia</b> of examination leads to the problem &amp; <b>Percentage</b> Pressure.</li> <li>Lack of Interest due to many <b>Personal or Emotional</b> problems.</li> </ul>
Solution	CHANGE
 <ul style="list-style-type: none"> <li>Students might be good in some other skill. Need to identify actual <b>interest areas</b> of Students.</li> <li>Improving their <b>IQ &amp; IQ</b>.</li> <li><b>Psychological, Dermatoglyphics GTR</b>, (Genetic Talent Report) can tell actual reason behind low performance in Academics.</li> </ul>	 <ul style="list-style-type: none"> <li>With <b>One on One</b> attention and changing environment, a child can do way better in Academics &amp; Life.</li> <li>Giving child a <b>Skill Based/Technical</b> Subject so that apart from education he/she can enhance their skills in other courses, i.e. <b>Computer Software, Designing, Language</b> etc.</li> </ul>

## Category 2: How we should Deal with Such Children since 5<sup>th</sup> Std or (10 to 11 Yrs)

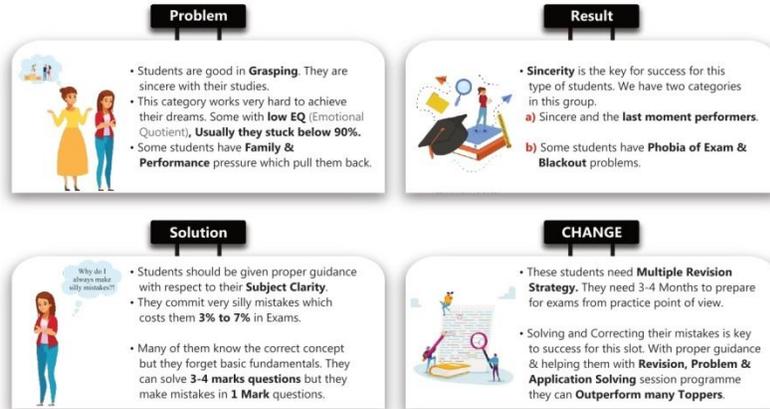

Category 2: (Capable Students) Average Score between 70% - 85%

Problem	Result
 <ul style="list-style-type: none"> <li>Students are good in <b>Grasping</b> but such students are <b>very lazy</b>. They don't take studies seriously or they are engaged in other activities.</li> <li>They are not <b>Self Motivated</b>. They have sharp brain but lack of interest &amp; motivation <b>reduces their interest</b> for Studies.</li> </ul>	 <ul style="list-style-type: none"> <li>Students are good enough. They very well know their <b>Potential</b> but some of them are <b>Overconfident</b> with regards to studies &amp; some are very resistive with respect to <b>Learning</b> something new.</li> <li>This category of students are <b>intellectually very strong</b> but don't utilize their potential.</li> </ul>
Solution	CHANGE
 <ul style="list-style-type: none"> <li>Students should be taught with <b>Conceptual</b> method.</li> <li>Need to work on their <b>Interest</b> areas.</li> <li>Such students are the ones who study just before exam and <b>Score Good Marks</b>.</li> <li><b>Parents</b> of such students are most worried as they don't know what actually their child is going to achieve.</li> </ul>	 <ul style="list-style-type: none"> <li>With Systematic teaching plan and <b>Daily Assessment</b> schedule will change the approach of such child towards studies.</li> <li>They can be Trained for <b>Competitive Exam</b> and they should be allowed to get involve into extra curricular activities to <b>Sharpen their Brain</b> simultaneously.</li> </ul>

## Category 3: How we should Deal with Such Children since 5<sup>th</sup> Std or (10 to 11 Yrs)

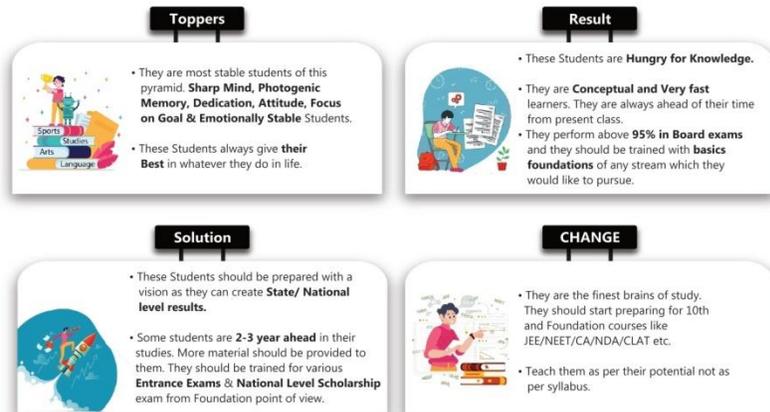

### “Know your child”

#### Category 3: The Toppers above 85% to 94%

## Category 4: How we should Deal with Such Children since 5<sup>th</sup> Std or (10 to 11 Yrs)

#### Category 4: The Photogenic 1% School Toppers (How they became so smart?)

## STRESSED LIFE OF A CHILD?

Do Parents really know what their Children Going through all Day? And Still Parents are pressurizing them for Performance? First let's go through Routine of a Child?

### Dear Parents, are you aware what your Child goes through Whole Day ?

A child is nowadays not gaining any Knowledge, They are studying just to clear **EXAM** and **PASS** in that exam.

The truth is your child's entire school life's output is his/her class 10th Percentage..... Right ? You judge your child on basis of 10th % (whether its 60% or 76% or 87 or 91% or 99%). Bitter truth is that its of **NO PRACTICAL** use in career. Where are **Skills?** or **Knowledge?** Know your child, before its too late.

### Daily Routine of a Child (in regular school)

What did he/she gained ? Where is the time for **SELF STUDY?** Are we just working for 10th% or Knowledge? The only way a student can perform best in ANY EXAM in life is through **SELF STUDY & SELF ANALYSIS**

## FINANCIAL BURDEN OF PARENTS?

Today Educating a Child is a investment which Parents need to Plan well in advance. Parents are Paying School Fees, Bus Fees, Tuition Fees, Tuition Van Fees, Hobby Class and other Expenses. What a Child is Gaining?

### Financial Expenditure of a Family (Expenses, as per 9th & 10th CBSE Students)

Dear Parents, understand that potential is not in **SCHOOL**, neither in **TUITION**, nor in **TEACHERS**..... Potential is in your **CHILD**, we don't need to work on Studies or Exams or Curriculum..... we need to work on **CHILD**.

## **SCHOOLING V/S COACHING CLASSES**

### ***Preparing your Child for Future?***

Each School need to ask themselves that, Why student need to Join Coaching Classes for their Education? Now Students are More Focused on Coaching Classes and various Entrance Exam, Aptitude, personality Development. Can't a School Focus on Such Education? (Edit it)

Why a Child is under pressure?

- 1) School Method is Different & Coaching Classes Teaching methodology is Different. (Image)
- 2) 2 Home Works, Students are not learning anything they are just busy with their Home-work. (Image)
- 3) 2/3 Different Teachers Teaching Same Topics & Students are getting Confused.

***Solution for your entire Child's Development for future is with BASE School.  
(add images as per req)***

1<sup>st</sup> Time in Nagpur, Teaching – Revision – Solving in School Timing itself. Ab Tutition Q Jana ....

## NO TIME FOR RECREATION & FAMILY BONDING TIME.

India is land of Culture, But Gradually its losing its identity, Understand first and foremost teaching of a child is their Parents, Father and mother needs to take care of child along with Education and Culture. Today, Family Bonding is utter most important thing but as per current scenario Parents are not getting enough time with their Child due to Studies.

Bachhe ke padhai pe nhi Bachhe pe kaam krna Padenga ..... aur Padhte kaisa hai wo hum sikha denge.

### What does a child gain through this Daily Routine ?

Physical Exertions	Subject wise Knowledge	Development of a child	Future Scope
			
<ul style="list-style-type: none"><li>• 2-3 hrs of traveling time of a child daily.</li><li>• A student has 15 hrs of working every day.</li><li>• No time to give for <b>Self Development/ Self-Study/Recreation</b></li></ul>	<ul style="list-style-type: none"><li># Student studying subjects just to clear Exam or <b>Score 90%</b> in exam</li><li># Who knows the importance of Chapter? with respect to <b>Entrances</b> or future competitive exam he/she wants to clear for <b>their career</b>.</li></ul>	<ul style="list-style-type: none"><li>• Only things students are worried about <b>School HW, School Project, Tuition HW, Tuition Concern.</b></li><li>• <b>Basics</b> are Missing, <b>Logical concepts</b> are Missing, <b>Concentration</b>, learning ability, exposure to competition is Missing.</li><li>• Any one can be a <b>Topper</b> with proper Training</li></ul>	<ul style="list-style-type: none"><li>• No time to Play, the generation next is not <b>Physically Fit</b>.</li><li>• No Focus on <b>Self Learning</b> ability of child.</li><li>• No Mental fitness, <b>70% Students are in Stress</b> No time for <b>Family Bonding and Values</b>.</li></ul>

TODAY, a Child is under Tremendous PRESSURE of Parents, Society, Career etc. Many Students are facing problems of **Depression**. Are we Preparing a **PRESSURE COOKER**?

## NO TIME FOR PHYSICAL ACTIVITIES & SPORTS ETC

Parents need to Pay Additional amount in Some Sports academy if their child wants to learn sports. Then a Child needs to go to School, Then Tuition Classes and then Sports Classes. What does u think, do u have a Robot?

@ BASE we have specially designed Curriculum where Students need to Pay 2 Outdoor and 2 Indoor game and on who wish to pursue career in sports our School provides them with professional training. In School itself.

### Exposure to Sports @ BASE School

- Tie-Ups with professional Academics across region.
- Encouraging students to play for state or National team.
- Additional sports hrs in school to practice more and mast the game.
- Academics will be taken care of as per students potential and student will be prepared for national level right from school.
- Students have choices to choose what they desire to do.
- Focus on Physical Fitness of a child.

# CAREER BASED EDUCATION

Career Based education @ BASE School. Where we train Students for professional Courses and Entrance Related to various Course.

## What is your child's Dream?

To Become a

					
<ul style="list-style-type: none"><li>• Doctor</li><li>• Engineer</li><li>• Architect</li><li>• Scientist</li></ul>	<ul style="list-style-type: none"><li>• Astronaut</li><li>• Teacher</li><li>• Researcher</li></ul>	<ul style="list-style-type: none"><li>• Cricketer</li><li>• Athlete</li><li>• Sportsman</li></ul>	<ul style="list-style-type: none"><li>• IAS/Gov.</li><li>• Army</li><li>• Police</li><li>• Defence</li></ul>	<ul style="list-style-type: none"><li>• Actor</li><li>• Journalist</li><li>• Photographer</li><li>• Designer</li></ul>	<p>Or let them do what he/she desire to be in life. Give them <b>BASE</b></p>
