SECTION-A – Reading Comprehension

[3M]

Q.1] Read the passage below and answer the questions:

The Banyan tree in our backyard was a place of wonder for me. Its thick branches spread out like a canopy, offering shade during hot summer afternoons. Many birds made their nests there, and the chirping sounds were like music to my ears. One day, I noticed a small squirrel nibbling on a fruit. I decided to make friends with it by offering a few nuts. It took some time, but eventually, the squirrel grew fond of me and would even eat from my hand.

Questions:

1] Where was the banyan tree located?

Ans. _____

2] What did the narrator do to befriend the squirrel?

Ans. _____

3] Find a word from the passage that means "a covering."

Ans. _____
